

**ABBIE CORNISH**  
Stunning, stunning girl, but I think the detail on the shoulders and hips is a bit unflattering.

**EMMA WATSON**  
This Miu Miu outfit is sweet, but the jacket just isn't working in the mix for me.

**JENNIFER GARNER**  
Elegant and soft. Great to see a yummy mummy showing off a real body after pregnancy.

**MICHELLE WILLIAMS**  
The eternal elfin. The shoes and nail polish complete Michelle's high-end vintage look.

**TERI HATCHER**  
Still a bombshell! This dress gives Teri a beautiful shape and the shoes complete the look.

**CLAIRE DANES**  
While Claire looks very 'Gwyneth', she is still owning this look. Not sure about the shoes though...
